

Taster Talk Activity

What is engineering? Can you state some applications of engineering? Why engineer? Can you describe how engineers can change the world we live in? How do we engineer? Can you identify some of the skills that engineers might need to do their jobs?

Daniel Wong shares perspectives on good design and how architects shape the buildings and spaces for us to live in.

Discussion points:

Can you name an object that is well made/purposeful/beautiful?

How can architects improve the world around you?
