

Winter Holiday Switch Off Email Template

Share your switch off pledge and create a fun competition amongst departments. It could be with your neighbouring department or a department from your faculty; let's come together and save energy this holiday season.

Template:

The [Insert your department name here] is participating in the Winter Holiday Switch Off.

Together, our actions can lead to significant impact.

Did you know?

- If the University collectively switches off over the 9-day break we could save a massive £198,000 and 309.9tCO₂e over the 9-day closure, this is equivalent in carbon to flying around the world approximately 34 times!
- The University has committed to achieve Net Zero carbon emissions by 2040 and we'll only achieve this with everyone's help
- Your contribution can help reduce costs and help tackle climate change

How you can help

This winter break, please join us in doing our bit to save carbon and costs while the University is closed. This simple step is made even easier with the downloadable switch off checklists and useful tips and resources to take energy saving home with you. Share your pledge and be in the chance to win a £20 Bath Gift Voucher.
