MORE THAN A ROOM

Living in university accommodation gives you more than just a room. It's our goal to make student accommodation feel like home, by creating a sense of community and helping you to create lifelong memories.

FINDING YOUR COMMUNITY

Meeting new people and finding your community is as important as the type of room you apply for. Our ResLife team are here to help you discover your community, with free events throughout the year. Enjoy a programme of welcome events, classes, activities, UK sight-seeing and more.

Our ResLife Ambassadors are here to make sure you feel at home in your accommodation – whether you have a question about meeting people, keeping healthy, or balancing your studies and personal life. We understand the importance of speaking with someone who has shared or

similar experiences to you. That's why we introduced ResLife Champions, to make sure that students of diverse ethnic backgrounds and identities find our residences supportive and welcoming.

Beyond your bedroom and shared communal areas, we have dedicated spaces to meet people. Whether you need somewhere to study or socialise, you can use our Living Lounges or Virgil Building, our student hub in the city centre.

SUPPORTING YOU EVERY STEP OF THE WAY

We're here to help you to settle into university life as quickly and easily as possible. Our ResLife team can help you get the most out of your time here. You'll find support in our accommodation centres and from our staff who work in and around your accommodation.

EVERYTHING YOU NEED

Our rent is all-inclusive, meaning that all your utility bills are covered by one regular payment – including fast WiFi. We have accommodation in the city and on campus, with great transport links between. Most of our students live in houses or flats with bedrooms grouped around communal kitchens or social spaces. You can also apply to live in accommodation with Eat and Drink credit to use in our food and drink outlets on campus.

We offer a range of accommodation, including standard rooms with shared bathrooms, ensuite rooms, studios and twodios, so you can find a home to suit your individual needs and budget.
