

Export Control Checklist

To be used by researcher (staff and students)

If your answer to any of these questions is 'yes', please contact the Export Control Manager (f.vance@bath.ac.uk). Please note that the word 'item' is used to include any goods, technology, software or knowledge intended for export outside of the UK.

Is the item being exported outside of the UK?

Is the item specifically designed for military use?

Is the partner new to you, and/or are there any unusual requests for shipping, labelling, forwarding addresses?

Could the items be intended for a civilian use, but have potential to be used for military or WMD use (dual use)?

Have you been informed by the Export Control Organisation or a third party that the item is subject to export control?

Will you potentially transfer knowledge within the UK for use in WMD programme outside of the UK?

Will you be involved in arranging the transit of items, through the UK, which could potentially be use in a WMD programme outside of the UK?
