It is one of the safest campus sites in the UK and we are the first university in the country to win a national police approved security award. The campus has excellent places to eat, drink and socialise. Facilities include food shops, post office, and a library open 24/7. The Students' Union forms an important part of the student experience. There are over 100 clubs and societies to get involved in and the union bar and nightclub arranges a variety of events.
