# Register your Horizon 2020 or RFCS grant NOW!

In a no-deal scenario the funding guarantee will be delivered by UKRI

In the event of a no-deal Brexit, the government has guaranteed to fund all successful eligible UK bids submitted to Horizon 2020 before the UK leaves the EU. This guarantee will apply for the lifetime of projects. Research Fund for Coal and Steel grants are also covered by the guarantee.

## Planning to submit a bid to Horizon 2020 after the UK leaves the EU?

In 2018 the government extended the guarantee to cover all successful eligible UK bids to Horizon 2020 submitted between EU Exit and the end of 2020 if we leave the EU without a deal.
