

Changes to codes for units formerly owned by the Department of Economics & International Development

On 1 August 2009 the Department of Economics and International Development became the Department of Economics. Some 'International Development' units will now be administered by the Department of Social & Policy Sciences. The table below shows all affected units with both their 'old' Economics & International Development code and their new code, either within the 'new' Department of Economics or the Department of Social & Policy Sciences.
